

PLEASURE CRAFT

Custom Mega Yachts

"Cat Financial has evolved into one of the leading lenders in luxury motor yacht transactions, and we have closed many transactions in which Cat Financial was the lender. We have dealt with the legal, underwriting, documentation and administrative departments and we find all of the people to be highly professional, knowledgeable, prompt, courteous, thorough, and responsive. I can honestly say that we look forward to working on transactions in which Cat Financial is the lender because their professionalism and experience contribute significantly to the timely documentation and closing of those transactions."

—David Baker, Vice President, Alley, Maass, Rogers & Lindsay P.A.

Financing In All Major Currencies

With more than 15 years of pleasure craft lending experience, a worldwide presence and the support of an unmatched dealer network, Cat Financial finances yachts under all major flags of convenience. Financing is secured by the vessel's mortgage and your personal guarantee. No real estate pledge is required.

For decades, Caterpillar has designed and delivered marine engines that continue to set the standard for quality, performance and reliability. It is no wonder that the major builders around the world choose Caterpillar marine engines, generator sets and vessel controls for their finest yachts.

Your personal Account Manager at Cat Financial simplifies yacht financing, working directly with the shipyard so you can enjoy the build and launch of your new masterpiece.

For expert lending designed to move you to approval and closing quickly and easily, call one of our three regional offices or email us at CatMarineFinance@cat.com.

All terms and conditions subject to final credit approval by Caterpillar Financial.
