MANSOUR | MANTRAC | CAT®

How do you squeeze more work into a finite number of hours without sacrificing quality or profits?

Cat Technology helps you get the most out of every machine so you can grade more efficiently.

INCREASE PRODUCTION

+ Improve utilization by knowing if, when, where and how every asset is being used

+ Bid and schedule projects more accurately

+ Manage your entire jobsite via one interface

CONTROL COSTS

+ Monitor and reduce idle time and fuel burn

+ Eliminate assets that aren't earning their keep
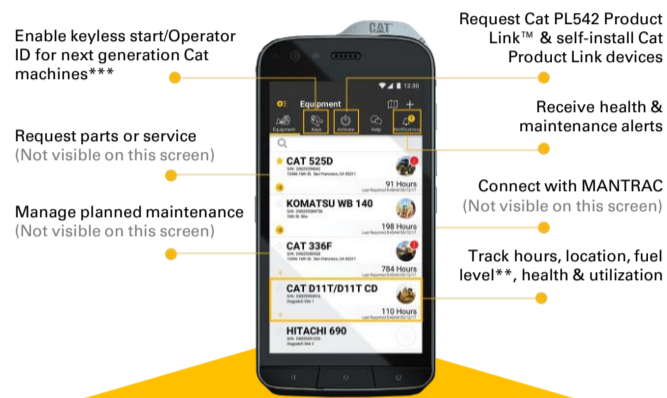

+ Manage service to avoid downtime

IMPROVE PERFORMANCE

+ Improve operator performance to identify training opportunities

+ Compare individuals' productivity and idle time numbers to motivate improvement

RUN A SAFE OPERATION

+ Know when unsafe actions occur, even when you're not there

+ Act quickly to prevent accidents and identify training opportunities

DIG DEEP INTO JOBSITE PERFORMANCE ANYWHERE, ANYTIME, WITH CAT® APP.

Enable keyless start/Operator ID for next generation Cat machines***
