

COMMERCIAL VESSELS

Reliable Power, Dependable Financing

Cat® and MaK™ engines demonstrate their economic efficiency every day—around the world. And you can count on Cat Financial for financing solutions that are just as reliable. With more than 20 years of experience in marine lending, our commitment to your success is long term.

Commercial Vessel Financing Guidelines

- > New vessels powered by Cat or MaK engines
- > Standard loan terms up to 10 years with longer terms or amortization schedules available
- > Financing up to 80 percent of vessel construction/acquisition cost
- > Construction financing via milestone payments to the shipyard
- > Competitive floating or fixed interest rates
- > Flexible repayment options, including interest-only payments during construction
- > Repower financing for used vessels available
- > All major currencies

To ensure the future success of your business, call one of our three regional offices or email us at CatMarineFinance@cat.com.

All terms and conditions subject to final credit approval by Caterpillar Financial.
